whose place, according to the police, bags of sugar were found. Charged with receiving stolen goods.

#### Others Questioned.

Jean Styrms, 29, a Belgian who works as a weight checker on the French line pier at Thirty-fourth street and lives 601 Tenth avenue, was detained at Fronte Headquarters for further investigation, but no charge was lodged sgainst him. The police also questioned James F. Dillon, 36 Willow place, Brookbyn, a checker, and Gus Fisher, 10 Walter and Gus Fisher, 10 Walter Brookbyn, acheristic Brookbyn, acheristi Brookbyn, acheristic Brookbyn, acheristi Brookbyn, acheristic Br Brooklyn, captain of lighter Dahlmar, a German, but they

were not detained.

According to information gathered by detectives who have worked on the alleged conspiracy since last April, when the first mysterious fire broke out in the sugar cargo on board the British reased cargoes since the war offered better opportunities for plunder.
Hence from small pilferings, it is said.
The alleged thefts increased to 200 or for us to place the child under arrest." refused to 200 or sugar a week, each bag it is probable, however, losses would never have if the attention of the departments had not the mysterious firm not the mysterious firm in th ne sugar losses would never have alled to the mysterious fires in nance.

Devon City's cargo caught fire 122. One of the lighters which insterred sugar to her hold was 14. On May 2 the British at which compared a sugar to her hold was 15. On May 2 the British at which the Corporation Counsel's office to the Trial. On May 2 the British steamthe Trial. On May 2 the British steamthe Kukeswald sailed for Marseilles
with a cargo of sugar, and when she
unloaded at that port two acid fire
tombs were found in the cargo. The
Trial was one of the lighters which had
helped load her cargo of sugar and also
transferred part of a sugar cargo to

### 8 HOUR DAY FOR ALL URGED BY GOMPERS

Wants Workers to Benefit by War Order Situation and Force Concessions.

WASHINGTON, Aug. 28 .- A nationwide State Department of Health.

In a bulletin issued yesterday the official organ of the federation, which came out to-day. Mr. Gompers filled in American plants to wring from

"The most momentous alternative is presented to the workers of our country. As a result of war conditions picion in particular pointed to a woman, Anna L., who had been employed as a some industries have now immense conhousekeeper in various places where the tracts secured on most highly favorable terms. Other nations' needs have where there was lots of it, but never caught it.' A culture showed that she was indeed a typhoid carrier.

"Here is Anna's record as it has so the industries of our country through periody or greed of other nathrough perfidy or greed of other na-tions does not alter conditions that confront us in this country. The problem of America's workers is whether the employer shall use them as a means to secure greater profits from the present necessity of other nations or whether this terrible world calamity shall b

this terrible world calamity shall be used to promote the welfare of at least a few of the world's workers.

"Many workers have already decided that they will see to it that humanity shares whatever opportunity shall come out of the terrible war. Already there has been raised the slogan of the eight hour work day for all workers and that demand has been and is being made more effective. more effective.
"This spirit of enlightened self-inter-

est and industrial statesmanship among these workers is infectious—the slogan 'eight hours' has been echoed by others. The workers have it in their power to make that slogan an irresistible force.
Employers feel the impulse that sends
its throb of hope and inspiration out
among all the toilers; many feel and
grant in advance demands they realize
will be made, and justly made. Even he United States Steel trust has increased wages. It granted them in advance because it did not want the vorkers to know the feeling and the experience that becomes part of the characters of workers who make demands for justice and secure them through
